THE CLOCK OF LIFE

The clock of life is wound but once
And no man has the power
To tell when the hands will stop
At late or early hour
Now is the only time you own,
So Live, Love, and Toil with a will.
Place no faith in "Tomorrow"
For the clock may then be still.

The Clock Of Life

The clock of life is wound but once,

And no man has the power

To tell just when the hands will stop

At late or early hour.

To lose one's wealth is sad indeed,

To lose one's health is more,

To lose one's soul is such a loss

That no man can restore.

The present only is our own,

So Live, Love, toil with a will -

Place no faith in 'Tomorrow' –

For the clock may then be still.

Robert H. Smith *1932-1982

In remembrance of all silent keys, especially Allen Breiner, W3ZRQ

Merry Christmas and a happy New Year!
